PIKOM Training Centre @ Empire Damansara (Damansara Perdana, P.J.)
**The organizers reserve the rights to change the venue at their discretion

The National Tech Association of Malaysia (PIKOM) in collaboration with Business Technovise International (BTI) is pleased to invite you to attend the 39th PIKOM PowerPM Leadership Course (PLC), a high caliber course in leadership, the most important success differentiator in Programme / Project Management. This course aims at empowering the Project Leaders, Portfolio / Programme /Project Managers and all those involved in project management with the skills needed to build high performance teams that can drive projects to successful completion and obtain the desired outcome.

It will cover project leadership (PL) and management key areas, best practices, case studies, coursework, computer-based interactive sessions, group work and knowledge benchmarking. More importantly, the key aspects of latest PMBOK edition including the 10 PM areas and key leadership sessions will be extensively covered.

PLC Leadership 4.0 is an **intensive** upskilling-reskilling **Leadership Bootcamp**, exceptionally impactful & refreshing, delivered through 70:20:10 formal-social-experiential learning which includes the Technical-Leadership-Strategic Thinking aspects. The 5-day **real-life simulation** course has the latest world-class contents:
a. 6th Ed PMBOK
b. Agile Best Practices (focusing on business agility to address exponential changes and at exponential speed)
c. Leadership 4.0 (producing Leaders 4.0 to address the pre-requisite leadership imperatives to survive the onslaught of Industry 4.0 (I40) fundamental changes in the way we work, live and interact: 9 Pillars, 5 Leadership Focus Areas & 4 Design Principles)
d. PMIS 4.0 (6th Ed PMBOK, Knowledge Management, Scalable Agile with Kanban Dashboards & DSM, Mobility/ Cloud, Value-add Decision Making, Bimodal Water-Scrum-Fall).

This course is a Management & Leadership **commando training** meant for certified senior managers as well as aspiring project leaders/managers who want to learn the right way of **making things happen**.

Project Leadership Certification (PLC) combines both foundation understanding and experience demonstrated in portfolio, programme and project management. PLC benefits both employers and employees in a win-win and win manner.

Initiated by PCC: PIKOM CIO Chapter (PCC) is a chapter of PIKOM comprising the Chief Information Officers of major corporations in Malaysia formed to extend the "Voice of the Tech Industry" to the end-user community. The PCC has identified the development of ICT professionals in Malaysia among the many initiatives it will champion.

How does PIKOM PLC differ from other courses?

This Project Leadership course covers a wide spectrum of issues other than standard project management areas that must be addressed in order to obtain the desired business outcome.

Experienced Professionals of international repute will be speaking at this event. They will give meaningful insights on key areas of project management.

Tool showcase: This unique professional development opportunity offers a   platform to meet and interact with experienced Portfolio/Programme/Project Managers, colleagues and peers to share ideas and discuss various opportunities. Participants will also be given hands-on exposure to a real-life PMO tool, in order to broaden their horizons on the alternatives available in this ever-changing, new normal world of Project Management.

The PLC has been designed to provide as close a simulation of real life project situations/environments as possible:
1. Training hours are planned to be intense in order to simulate a real-life project environments. Such training hours can be from 8:30am daily until into the late evening (depending on the work outstanding)
2. Certification assignments, such as eLearning revisions and Case Studies, designed for greater self-understanding, are required to be completed outside of the normal training hours
3. Day 4 Groupwork sessions may require overnight effort as participants may have to deliberate and work with other team members to complete the challenging assignments and next-morning presentation
4. PLC is a practise-practise-practise Bootcamp with unique application of softskills (leadership, strategic thinking) and hard/technical skills (knowledge areas, PMIS tools, project processes) to give a complete week-long experiential learning supported by CBT-Portal-eLearning-Profiling-IDP-360degree-PMIS4.0 Cloud with Mobility.
