

DR SEAN SEAH HEADS THE NEW COUNCIL AT PIKOM'S 35TH ANNUAL GENERAL MEETING

PETALING JAYA, 25 November 2021: PIKOM, the National Tech Association of Malaysia hosted their 35th Annual General Meeting today via a virtual platform and named Dr Sean Seah as the new Chairman of PIKOM for the 2021-2022 term effective immediately. He takes over from Danny Lee who has completed his maximum 2-year tenure as Chairman.

"I am deeply honoured to take on the role as Chairman of PIKOM and to continue building on the good work laid by my predecessor. 2022 will be a momentous year as Malaysia hosts the World Congress on IT. This is the best opportunity for us to showcase Malaysia to the world, let's work together to deliver an exceptional experience," Dr Sean stated after he was officially named Chairman.

Dr Seah highlighted a significant milestone for PIKOM next year will be organizing a very key industry global event in Malaysia, the World Congress on IT (WCIT 2022). The congress will serve as an extended platform for members to reach out to global markets and to be recognised as up-and-coming tech players in a borderless landscape. Set to take place in Penang, WCIT 2022 will also feature TechFest showcasing the latest innovation and digital technology products and services Malaysia has to offer to the world.

PIKOM, who represents over 1000 tech companies, will continue to play a substantial role in the digital transformation for Malaysia by becoming a key catalyst for the private sector in embracing digitalization, especially as Malaysia undergoes its National Recovery Phases.

The AGM also saw the election of PIKOM council members who are captains of the tech industry. The List of Elected PIKOM Councillors are as follows:

MEDIA RELEASE

For immediate release

“The Council and I look forward to a very exciting term with *Keluarga PIKOM* (PIKOM Family). Our goal moving forward is to continue working with the government towards the road to economic recovery, reduce social disparity by providing our strength in connectivity technology and continue being the most influential association in the Malaysia’s tech industry. I appreciate the continuous support from our members, *Keluarga PIKOM* and I pledge to do my best for the industry,” concluded Dr Seah.

About PIKOM

PIKOM, THE NATIONAL TECH ASSOCIATION OF MALAYSIA, is the association representing the technology industry in Malaysia. Its membership currently stands at more than 1,000 active companies involved in a whole spectrum of tech products and services, and which command 80% of the total TECH business in Malaysia.

There are 6 Chapters under PIKOM: OM; CIO; Cybersecurity; E-Commerce; Venture Investment and Women in Tech. These chapters help improve and drive the business climate for all member companies, together with promoting industry growth in line with national aspirations.

As the Voice of the Tech Industry, PIKOM embraces the task of growing the size and capabilities of the tech industry in Malaysia by creating opportunities for its members as well as all Malaysians to capture the benefits offered by advances in technology
