## MESSAGE FROM THE CHAIRMAN

“

The PIKOM Annual Report 2025 reflects a year of steady progress and purposeful engagement for Malaysia's digital industry. More than a record of activities and financials, this report captures the collective efforts of our members, leadership, partners, and stakeholders in strengthening a resilient and future-ready digital ecosystem.

Throughout the year, PIKOM remained focused on its core mandate — representing the voice of the digital industry, enabling collaboration, and supporting sustainable growth. In an environment shaped by rapid technological change and global competition, we continued to engage actively with government, industry, and international partners to ensure industry perspectives remain relevant and forward-looking.

I extend my appreciation to the Office Bearers, Councillors, Advisors, and Committee Chairs for their leadership and dedication. Their guidance has been instrumental in shaping PIKOM's strategic direction. I also commend the PIKOM Secretariat, led by our Chief Executive Officer, for their professionalism and commitment in delivering programmes and supporting members throughout the year.

Our Chapters and Committees continued to drive impactful initiatives across key focus areas including cybersecurity, digital infrastructure, artificial intelligence, talent development, women in tech, and policy advocacy. The launch of the AI Chapter, stronger regional engagement, and the continued success of flagship platforms such as the PIKOM LEAD Summit and the PIKOM Digital Excellence Awards reflect the strength and diversity of our ecosystem.

International collaboration remained a priority, with deeper partnerships across Asia and growing regional recognition for Malaysian technology companies. Organisationally, PIKOM closed the year on a stronger financial footing, enabling continued reinvestment into advocacy and industry development.

As we approach PIKOM's 40th anniversary, this report affirms our commitment to advancing a competitive, inclusive, and globally connected digital economy for Malaysia.

”

# TALENTGAP COMMITTEE

**Akhil Gupta**  
Chair

**Sandy Woo**  
Committee

**Vanessa Tan**  
Committee

**Dato Alvin Yuen**  
Committee

**Camelia Loh**  
Committee

The **PIKOM TalentGAP Committee** was formed to address Malaysia's growing digital talent shortage and ensure the industry has the skilled workforce needed for future growth. Bringing together leaders from industry, academia, and government, the Committee focuses on identifying talent gaps, analysing emerging skill needs, and driving collaborative solutions to strengthen Malaysia's talent ecosystem.

**Save the Date!**

**DATE & TIME: 12 SEPTEMBER 2025 | 4:30 PM - 8:30 PM**

**VENUE: NAMASTE INDIA BANGSAR**

Join us as we bring together government, industry, academia, and ecosystem players to chart the future of Malaysia's digital workforce.

#### **EVENT HIGHLIGHTS**

- Official Launch of the PIKOM Talent Gap Survey 2025
- Special Presentation by TalentCorp – Bridging the Digital Talent Gap
- Panel with Industry Leaders & Policymakers
- Networking Dinner with the Tech & Talent Community

SEATS ARE LIMITED TO 120 PAX - Formal invitation & registration details to follow

**LET'S SHAPE THE FUTURE OF MALAYSIA'S DIGITAL TALENT – TOGETHER!**

**Over 140 People** attended the TalentGAP Survey Launch and **MDEC** and **TalentCorp** presented, with a Panel Session represented by **ESGAM**, **MABC**, **SME** and **PIKOM**.

**Associate Sponsors**

**Dear Valued Employer,**

As Malaysia's premier tech association, PIKOM is committed to ensuring our nation remains a leading hub for AI and digital talent. Our Talent Gap Committee is conducting this crucial survey to understand the evolving challenges you face in a rapidly changing landscape. Your insights are invaluable. By sharing your experiences, you will directly help us identify critical skill gaps, understand future digital talent demands, and inform the development of strategic initiatives and academic curricula. This is about more than just data collection—it's about building a robust, globally competitive digital workforce that strengthens Malaysia's position in the global tech economy. Your participation is a direct investment in the future of our industry. All responses will be kept strictly confidential and used solely for this research.

**Estimated Time to Complete:** 12-15 minutes

## Government Affairs Committee

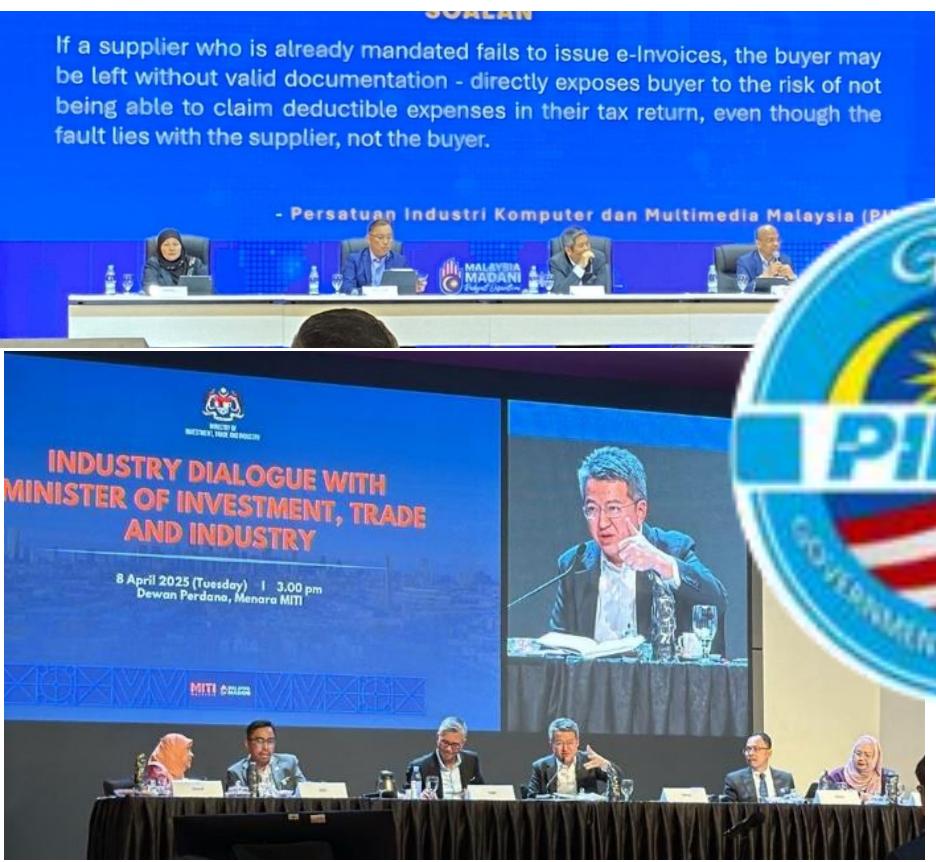

PIKOM plays an active role in national Working and Technical Groups, contributing industry insights to policy development initiatives across government agencies, and representing the digital technology sector in strategic engagements with Ministries.

DR DZAHARUDIN MANSOR  
CHAIR

**Committee:** Dr. Dzaharudin Mansor (Chair), Ts. Abdul Halim Mohd Lasim, Johary Mustapha, Ts Ngoh Chee Hung, Chong Chin Kan, Puja Laksmi, Robin Yong and Shaifubahrim Saleh (Advisor)
