| Postcode:City/State: Office Tel:Office Fax: The PLC has been designed to provide as close a simulation of real life project situations/environments as possible: 1. Training hours are planned to be intense in order to simulate a real-life project environments. Such training hours are planned to be intense in order to simulate a real-life project environments. Such training hours are planned to be intense in order to simulate a real-life project environments. Such training hours can be from 8:30am daily until into the late evening (depending on the work outstanding) 2. Certification assignments, such as eLearning revisions and Case Studies, designed for greater self- understanding, are required to be completed outside of the normal training hours 3. Day 4 Groupwork sessions may require overnight effort as participants may have to deliberate and work with other team members to complete the challenging assignments and next-morning presentation 4. PLC is a practise-practise-practise bootcamp with unique application of softskills (leadership, strategic thinking) and hard/technical skills (knowledge areas, PMIS tools, project processes) to give a complete week-long experiential learning supported by CBT-Portal-eLearning-Profiling-IDP-360degree-PMIS4.0 Cloud with Mobility. I have read the above and fully understood the nature of this training: | BILLING DETAILS         Invoice attention to:         SST Reg No:         Designation:         Contact Number:         Billing Address:   |
